A NOTE BEFORE YOU BEGIN

Thank you for considering Soland.

Every organisation runs on things most people never notice — until they are missing. The printer without toner on the morning of a board meeting. The team squeezed into a room it outgrew a year ago. The report that needs printing and binding by five o'clock.

Soland Enterprises exists so that those moments don't happen to you. Since 2019 we have supplied, printed, installed and delivered for organisations that cannot afford to be let down — and we have learned that what clients remember is not the size of a supplier, but whether it kept its word.

This profile tells you who we are, what we do and how we work, so that when you place your trust — and your tender — with us, you know exactly what you are getting.

Who we are

ABOUT SOLAND ENTERPRISES LIMITED

A young Kenyan company built on an old-fashioned idea: do what you said you would do.

Soland Enterprises Limited is a youth-owned private limited company, incorporated in Kenya in October 2019 and based in Nairobi. We focus on delivering quality at fair, competitive prices — and on going beyond what our clients expect.

We are ready to serve and partner with you, helping your organisation reach its goals effectively and efficiently.
